

DecarBOATS

International Project Conference DecarBOATS

Decarbonisation of Small Boats in the South Adriatic Sea

DecarBOATS Conference – AGENDA	
Date and venue: 26 June 2026, Hotel Cattaro, Old Town Kotor, Kotor	
9:30 – 10:00	Participant registration
10:00 – 10:10	Welcome remarks - Vice Dean Prof. Zorica Đurović, University of Montenegro – Faculty of Maritime Studies Kotor
10:10 – 10:30	Decarbonisation of Maritime Transport – Global Overview - Prof. Danilo Nikolić, University of Montenegro – Faculty of Maritime Studies Kotor
10:30 – 10:50	Presentation of the DecarBOATS Project by the Coordinator - Eng. Nicola Sicilia, Eng. Claudio Pascarelli, DHITECH Foundation
10:50 – 11:10	WP1 AS-IS and TO-BE scenarios analysis - Dr. Angelo Marinucci, LAG COASTAL MOLISE
11:10 – 11:25	WP1 State-of-the-art update on advanced technological solutions for boat electrification - Dr. Pierluigi Argoneto, Higher Technological Institute for Mobility Ge. In. Logistic
11:25 – 11:40	WP1 State-of-the-art update on advanced technological solutions for renewable-based charging systems (focus on battery electric) - Prof. Julian Priska, Aleksandër Moisiu University Durrës
11:40 – 12:00	Coffee break
12:00 – 12:20	WP1 State-of-the-art update on energy metering, monitoring and management systems - Eng. Gianluca Trullo, 73Consulting Srl

DecarBOATS

12:20 – 12:40	<p><i>WP1 State-of-the-art update on advanced technological solutions for renewable-based charging systems (focus on hydrogen-fuell cells)</i></p> <p>- Prof. Danilo Nikolić, University of Montenegro – Faculty of Maritime Studies Kotor</p>
12:40 – 13:00	<p><i>Potential of hydrogen in the decarbonisation of coastal shipping: selected considerations for the Adriatic Sea</i></p> <p>- Eng. Nolla Todorović, University of Zagreb Faculty of Mechanical Engineering and Naval Architecture</p>
13:00 – 13:30	<p><i>Presentation by local manufacturers of electric propulsion boats</i></p> <p>- Monte Marine Yachting</p>
13:30 – 14:30	<p><i>Lunch break</i></p>
14:30 – 15:30	<p><i>Round table “Decarbonisation of Small Boats in the South Adriatic Sea”</i></p>
15:30 – 16:00	<p><i>Conclusions</i></p>
